**Subject:** In support of Auden Grogins as Superior Court Judge

To Whom It May Concern:

I am writing in support of the nomination of Auden Grogins as a Superior Court Judge in the State of Connecticut. I live in California, but my eighteen year old daughter attends school at Connecticut College.

I, and every other parent I know, am deeply concerned by the amount of gun violence in our country. It is time for this scourge of death by the gun, supported by the NRA and the gun lobby, be stopped.

I am asking you and all involved to have the courage to stand up to the gun fanatics and to confirm Auden Grogins as Superior Court Judge.

Thank you from the bottom of my mothers heart.
